TO MAXIMIZE YOUR ROI  
OUR TEAM WILL HELP YOU ACHIEVE

## 100% FULL DEPLOYMENT

### Max ROI Requires Max Deployment

Your people will see the full benefit of Smart Home when it's deployed across 100% of your properties. Having multiple access methods (keyless, keys, lockboxes) makes it difficult to serve your guests well. Maximize your ROI but installing Keyless portfolio wide.

### Your Homeowners Want Smart Home

Not only do they want it, they will pay for it. Our research shows that more than 90% of homeowners are opting in to their VRM Smart Home system.

### Our Team Will Make It Happen

PointCentral's project team will have you up and running on 100% of your properties in 1 to 2 weeks.
